Mark welcomed everyone to the meeting. He introduced our guests.

New Business

Shared personal calendar research

Two teams presented two different calendaring systems (Microsoft Exchange and Sun JES). Meeting Maker is becoming much too expensive so these two teams were charged with finding alternatives for shared personal calendars to be used campus-wide. Information was distributed about both options and then presentations were given on both Microsoft Exchange/Outlook and Sun JES Calendar.

Mark asked the committee to come to the next meeting with questions about the two products. The committee should feel free to e-mail Mark with discussion of these presentations also. Mark thanked the two teams for their hard work and presentations.

Old Business

Constituency Advisory Committee Meetings:

Mark reminded those who have not turned in their "IT Top Ten..." summaries. These will be copied and distributed in time for next Monday's discussion.

Request for SPSS software information

Those who have not given Mark your information, please do so as soon as you can.

Williams Technology Award:

Mark announced that nominations are due by November 30 for the Williams Technology Award. The link to the application form is at http://www.provost.ilstu.edu/resources/technology_award.shtml He asked for volunteers to act as a working team to read applications and select the winner. Those who want to volunteer should let Mark or Georgia know.

Agenda items for the future:

Mark announced the following tentative agenda items for the rest of the semester.

November 21

Shared personal calendaring follow-up.

Top Ten Summary discussion.

November 28
