---

**Reports from each area representative:** Each person present gave a brief overview of Web projects that are currently in progress or will be working on over the 2004 calendar year.

**Google:** Mark announced that the next step will be to get the college Web sites to use the in-house Google search engine.

**E-commerce:** A brief update included information about the TouchNet application. Credit card processing will soon be available from COE, but is presently available through Foundations. Kriss Davis is the main contact person. GLT will be selling tickets soon on-line, as will the Agriculture department.

**iCampus Portal:** Mark announced that the AP council will be elected through the portal this spring (March?). Class lists went to faculty over the portal, but needs tweeking.

**NEXT MEETING DATE:**

Friday February 20, 2004, Turner 139 at 9:15 a.m.
