

Meeting minutes from **September 5, 2003** (MLB 184)
CAMPUS WEB PLANNING & ADVISORY COMMITTEE (WebPAC)

PRESENT: Michael Baum, Pam Burress, Jeff Grabb, Penny Hankins, Shawn Hayes, Trisha Klass, Kate Plantholt, Dave Schaafsma, Mark Troester, Sarah Walczynski, Neil Gridley (VPFP rep. sitting in for Ray Smock), Wes Matejka (COE rep. sitting in for Ken Fansler)

ABSENT: Jody DeCremer

GUESTS: Jeff Weidner (IWSS), Brian Huonker (IWSS)

Google: Mark announced that the Google appliance is being tested on campus, and presently it is working on the www.ilstu.edu home page.

Mark introduced Jeff Weidner, one of the technology developers in IWSS. Jeff presented a power point presentation pertaining to searching and Google.

Advertising: Pam inquired with the WebPAC group how to handle advertising in *OpenLine* (Civil Service Council newsletter) without violating University advertising/commerce policies. The Civil Service Council has recently decided to allow classified advertising in their monthly newsletter that is published to it's Web site. The group agreed that it would be best to remove any advertising before converting to a pdf for display on the Civil Service Council Web site.

E-commerce update: The E-commerce application is being piloted, mainly with accounts that accept money through Foundations. Kriss Davis is the contact for this pilot project.

NEXT MEETING DATE:

Friday 9/19 9:15 to 10:45am OU 218
